1 **AN ACT to amend** 45.33 (1) (d) of the statutes; **relating to:** eligibility for a

Analysis by the Legislative Reference Bureau

Under current law, certain persons are eligible for a veterans housing loan, including persons who have completed six continuous years of service under honorable conditions in the army national guard, the air national guard, or any reserve component of the U.S. armed forces. The substitute amendment eliminates the requirement that the six years of qualifying service must be continuous. Further, the substitute amendment provides that the six years of serviced may be in any combination of national guard and reserve component service. The national guard service mat be in the army national guard, the air national guard, or a combination of the two.
